FOR IMMEDIATE RELEASE

San Bernardino Freeway (I-10) 55-Hour Weekend Closures Continue *Closures at Garfield Avenue Scheduled*

ALHAMBRA – The California Department of Transportation (Caltrans) will continue its 55-hour weekend lane closures on the San Bernardino Freeway (I-10) between Atlantic Boulevard and Rosemead Boulevard for bridge rehabilitation work. Along with the closure of I-10 Metro Express Lanes, local streets and freeway ramps will be closed. Closures will include:

Friday, August 3 at 10 p.m. through Monday, August 6 at 5 a.m. for 55 hours

- Westbound I-10 Metro Express Lanes at Garfield Avenue
- **Both** directions of Garfield Avenue between Hellman Avenue and Glendon Way
- Westbound I-10 Garfield Avenue North on-ramp
- Westbound I-10 Garfield Avenue South off-ramp
- Eastbound I-10 Garfield Avenue South on-ramp
- Eastbound I-10 Garfield Avenue North off-ramp
- Westbound I-10 Del Mar Avenue HOV off-ramp

Friday night, August 3

- 10 p.m. to 8 a.m. – Up to 3 lanes of westbound I-10 at Garfield Avenue

Saturday night, August 4

- 10 p.m. to 8 a.m. – Up to 3 lanes of westbound I-10 at Garfield Avenue

Sunday night, August 5

- 10 p.m. to 6 a.m. – Up to 3 lanes of westbound I-10 at Garfield Avenue

Although NOT a full freeway closure, **motorists should expect delays and are strongly advised to use alternate routes, avoid the area or use public transit.** Additionally, motorists can check traffic conditions before they leave by calling 511 or visiting the Caltrans Quickmap at quickmap.dot.ca.gov. Once this \$9 million is completed in late 2018, the bridge improvements will reduce time required for maintenance and minimize the need for further lane closures. Caltrans thanks you for patience and understanding during construction and reminds you to **“Be Work Zone Alert.”**

BE WORK ZONE ALERT
